Eau-De-Vie Melbourne is an intimate, dimly lit,
jazz infused speakeasy created for the discerning
bon vivant.

Let our amicable host and expert team of bartenders
transport you back to a much forgotten era where
great service, cocktails, tommy guns and good times
were king.

Eau-De-Vie is a French expression that translates to
“water of life.” Spirits such as French brandy
(eau-de-vie), whisk(e)y, vodka and aquavit from
Norway, all take their names from the alchemic
notion that spirits were an elixir of life.
