

WHISKY LOCKERS

From the moment you walk through the doors at Eau-de-Vie, it's clear our passion for Whisky runs deep. From the highly curated but well stocked back bar featuring 500 bottles to the knowledgeable bar team, Whisky truly is a part of Eau-de-Vie's DNA.

Join in the drams and banter by securing your own coveted Eau-de-Vie Whisky Locker in our private and exclusive Whisky Room – an entire space dedicated to our obsession with the amber liquid.

Lockers are extremely limited and hard to come by – as evidenced by the ongoing waitlist for Melbournes coveted lockers.

As a locker member, we'll store your purchased bottles and be sure to have all the accompaniments ready on your next visit. Enjoy that truly VIP feeling drinking from your very own locker when hosting friends, family, colleagues or clients.

Check out our FAQ's below and be sure to submit your expression of interest. Lockers will be managed on a first in best dressed basis.

TERMS & CONDITIONS

How does it work?

To secure a coveted Whisky Locker, guests are required to fill in an expression of interest which can be done here. From there – our Guest Experience managers will reach out to start the Bottle selection process. Once your first bottle is purchased (in full), your Locker is secured with a custom Member Profile and Locker number. *Lockers will be allocated on a first in best dressed basis via the expression of interest link only.*

What do I need to do to keep my locker after my initial bottle purchase?

From the initial bottle purchase, Whisky Locker members will be required to repurchase a bottle from our list every 10 weeks, which can be done in venue or via email or phone with our guest services team in the Head Office.

What do I need to do to come and drink from my locker?

All locker members will be prioritised wherever possible and reasonable, however will still be subject to standard reservation policies. You will also be provided with a custom booking link alerting us to you upcoming visits. We ask that locker members be considerate of our team – unfortunately we cannot always guarantee we will be able to accommodate with priority seating or in the Whisky Room.

How will I identify myself?

Locker members will have special VIP Member Profiles built into our reservation system (complete with VIP custom booking links) that will store special information on your last and upcoming visits, current bottles as well as special details like your favourite whiskies and seating preferences. We will also have a special ‘ledger’ at our host desk where your visits will be noted.

Some additional things to note:

- Eau-de-Vie reserves the right to refuse service to any guests (locker members or their guests) who are deemed to be behaving inappropriately, are intoxicated or showing signs of intoxication, or are disturbing other guests.
- Eau-de-Vie has a zero-tolerance policy for abuse towards our loyal hardworking staff.
- Spirit lockers cannot be transferred between those not currently on the official locker waitlist. In the event you no longer wish to have a locker, your locker will be released to the next person on the waitlist.
- In the highly unlikely event, you breach the T&C's there is a chance you may be removed as a Member. In this unlikely event you will be notified via email and any bottles remaining will be held in venue for 2 weeks.
